Defendant.)	

This matter is before the court on the Unopposed Motion to Continue Trial [29]. Additional discovery was recently conducted regarding expert inspection of an electronic device. The discovery is still being evaluated by the parties. Counsel needs additional time to engage in discussions and to possibly engage in further discovery. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [29] is granted, as follows:

1. The jury trial now set for October 12, 2021 is continued to **November 29, 2021**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and November 29, 2021**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances will be granted without a hearing before the undersigned magistrate judge.**

DATED: September 24, 2021.

United States Magistrate Judge
